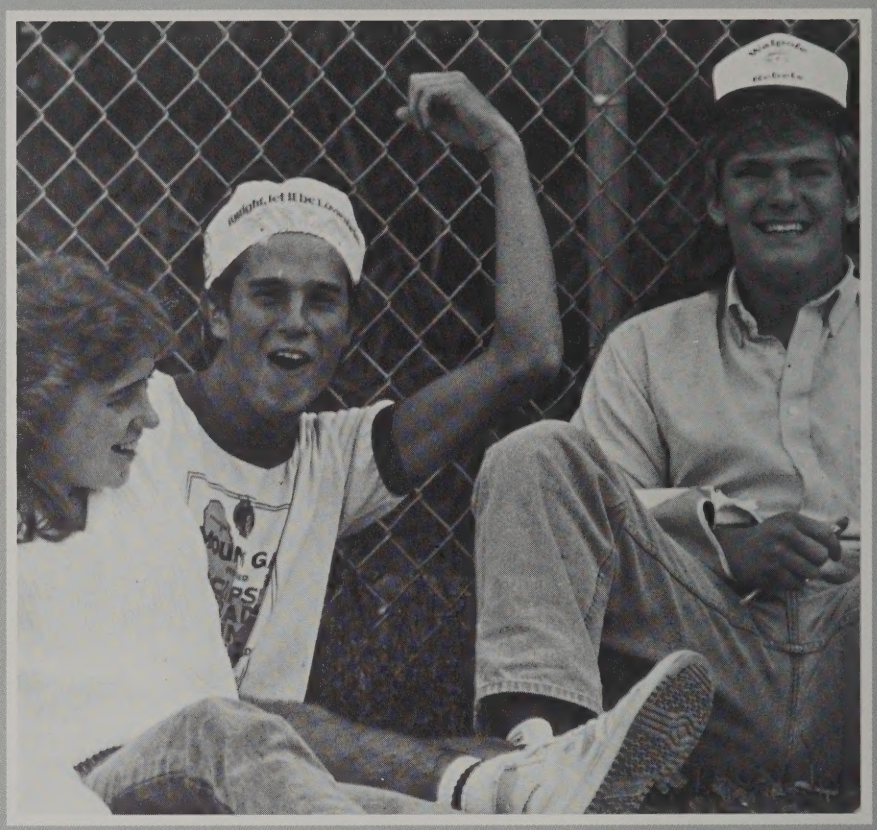
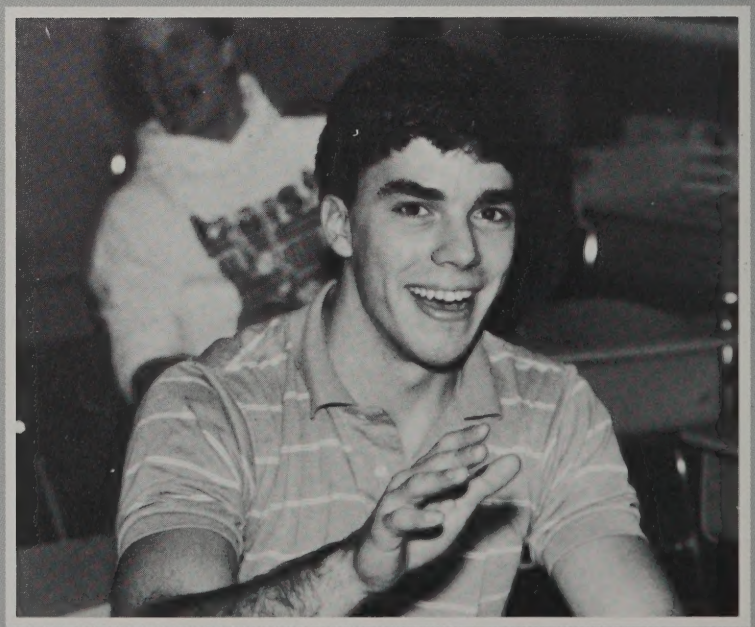
All the world's a stage,
And all the men and women
merely players.
They have their exits and
their entrances.
And one man in his time
plays many parts . . .

As You Like It, Act 11, Scene 7
William Shakespeare



One September morn, four long years ago, the Class of '87 stepped into the spotlight for the very first time. Since then each of us has learned to play a special part here at Walpole High School. The interweaving of these parts led to many unforgettable performances in academics, athletics, and the fine arts.



Our class production will always be considered an instant success because of the wealth of talent, the will to achieve, and the sense of togetherness we brought to Walpole High. And now we proudly present "Rebels with a Cause!"

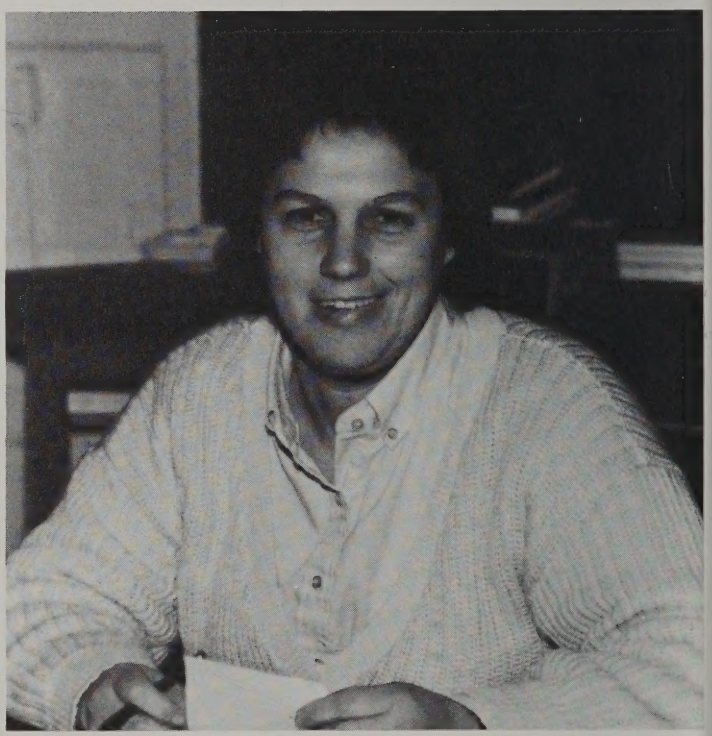
ADMINISTRATION

Principal Lester H. Burch

"The school goes as goes the Senior Class" and the class of 1987 is an enthusiastic, caring, giving, and fun loving group.

"Our students are willing to dedicate themselves to a cause or whatever they take on in their lives". Principal Mr. Lester Burch feels this years seniors have excelled in their dedication. Mr. Burch feels the class of 1987 is unique. It's uniqueness lies in it's ability to blend together and support each other in a variety of activities, which range from academics to organizations to sports.

The Student Council has been more involved with school spirit than any previous group. Led by President Ciki Cantrell, Secretary Cindy Bradley and Senior members John Reardon and Michelle Weber, they have worked enthusiastically to bring back dances and spirit through different contests and "special days".



Assistant Principal Susan Brainard

Assistant Principal Richard Cantrell

The class can be proud of their many achievements from the championship teams, to the academic honors, to the volunteers who wanted to give something to their school through "Eddie was Here".

They have exhibited a school spirit and enthusiasm through their four years. It is hoped that they will continue to support the school, as it supported them, as they move out into their new worlds. The Class of '87 has made Walpole proud of their cause as they represented the school, the community, and their families.

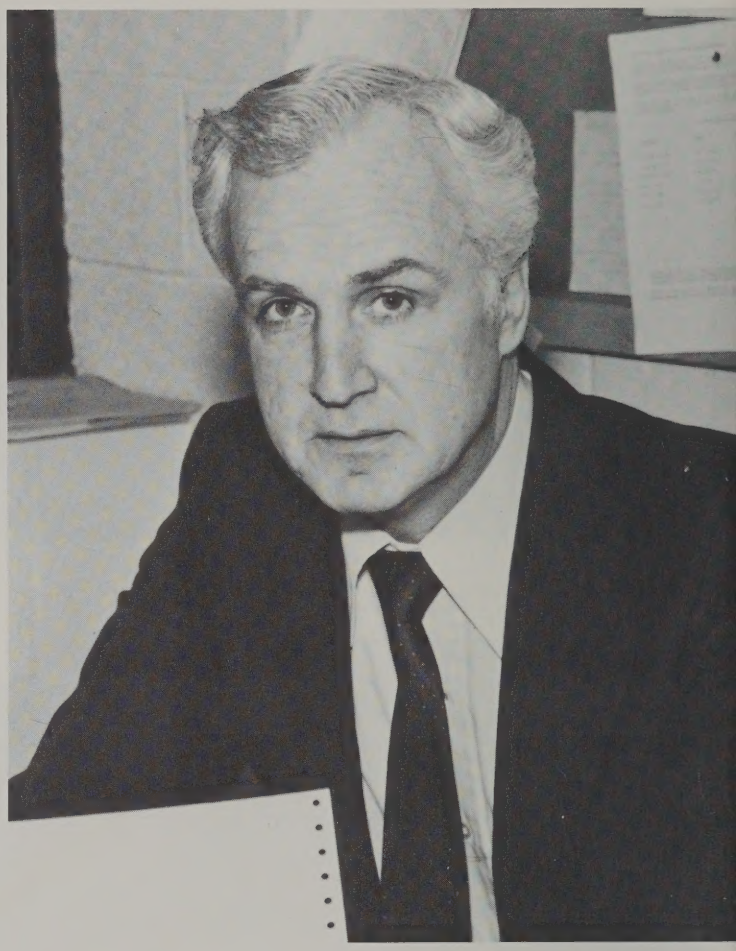
GUIDANCE



As always, the Guidance Department was kept busy with its various duties, which included keeping up with senior recommendations. Miss Elaine McLaughlin is a new addition to the Guidance Department. Once again, the computer center was invaluable as students researched colleges and explored possible vocational paths. The Career Exploration Program for juniors, now in its second year, also proved an important tool for those looking towards the end of their high school years. Guidance has several new projects underway for the end of the year, hoping to expand the computer center to include greater occupational information, and planning to start a support group for teens in conjunction with Project Face.

MEDIA

Mrs. Amy Jane Winchell, Head of Media.

Always one of the busiest sections of the high school, the library has gone through many changes in the past year. To create room for the many new books which arrived, the downstairs section was opened, and student services were increased with the addition of a copier machine and an orientation period for underclassmen. To keep everything running smoothly, several students have volunteered their time as assistants, helping out with equipment and running errands. Head librarian Mrs. Winchell hopes that the library will continue to grow in the future and remain an important asset to students.

Scene 5 METCO

Now in its twentieth year at Walpole High, the METCO program has continued to be a success, transporting black students from sections of Boston to Walpole each day. These students receive an educational experience in a suburban town by having a host family in town so they may participate in school and extra-curricular activities. The program strives to enrich the METCO students both socially and academically, but another goal is to improve the approach and climate of learning in a multi-cultural society.

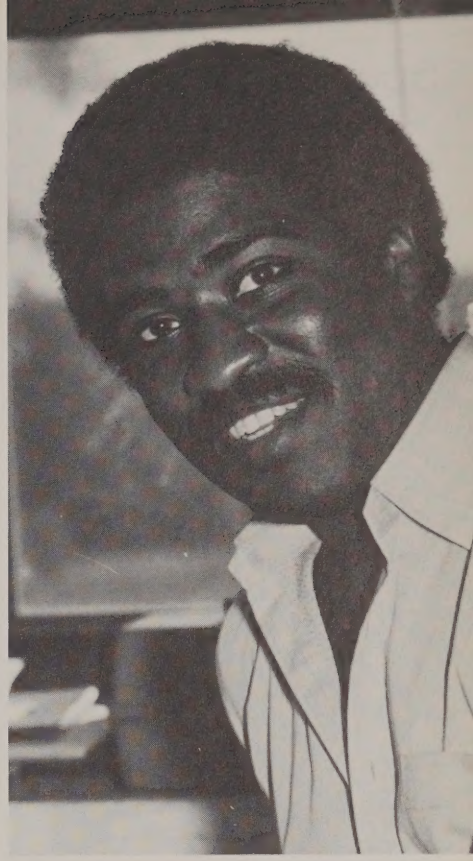
MUSIC



Back in August the music year started with a successful marching band camp which is held each year on Cape Cod. This camp prepares the band show for the football and competition season. Besides enlivening and entertaining the crowd at football games, the band captured third place at the Andover High School competition, a bronze medal at the Blackstone - Milville competiton, and an exhibition spot at this years MICA New England Finals at Sullivan Stadium.

Throughout the year several performances are given by the concert band, jazz band, chorus, madrigals, show choir, and orchestra. These concerts provide entertainment for many in the town.

Mr. Richard Reynolds is the new Fine Arts Director for the School System. The W.H.S. music program offers instrumental and vocal music to all interested students either for credit or extra-curricular. This adds one more facet to the Walpole High School student.

Students who are planning on attending art school spend time preparing their portfolios. Other activities in which seniors participate are acrylic and oil painting, pencil and colored pencil drawings, pen and ink sketches, and linoleum block cuts.

Some of the better works by Mr. Gardner's students were shown in exhibitions at the Walpole Mall and at the Walpole Public Library during the spring.

ENGLISH

During the past year the English Department was involved in a variety of activities, including cultural events, speeches, and computers. With the help of Mrs. Sylvia Agabian of the Walpole Arts Council, the Department sponsored trips to *Shear Madness, Little Shop of Horrors, Romeo and Juliet,* and *Heartbreak House.*

Freshmen were exposed to the second year of the speech program through team teaching, led by Mrs. Diane Hudson. At the same time, Sophomores were writing and revising essays on the word processors.

This year Walpole participated in a teacher exchange program with Peachland, British Columbia. Mr. Mark Smith took over for Mr. Frost Hubbard, who moved his family to Peachland. Mr. Smith has a daughter, Laramie, who has been an active member of this years Senior class.

FOREIGN LANGUAGE

The Foreign Language Department once again enriched education of Walpole High as students participated in French, Spanish, and Latin classes. As usual, the department had excellent success in both the National French and Spanish Exams.

During July of 1986, members of the French Club participated in a month long exchange with their counterparts in France. The French Students will be coming to Walpole in the summer of 1987 for a month. The Spanish Club plans to tour Spain in June. The Latin Club remains active with many activities throughout the year, climaxing with the Roman Banquet in May.

Added to the Faculty was Mr. Mitchell Carter, who teaches both French and Spanish

The Industrial Arts Department remained a center of activity this year. The wide range of courses covered wood to electricity. Students involved in these areas gained valuable knowledge during a two or three year sequence of courses.

As the year progressed students spent time repairing electrical equipment and computers or building cabinets and scale models of houses from their plans.

Again this year, the Home Economics Department outdid itself with the Thankgsiving dinner and the gingerbread houses.

Students studying Family Living to Psychology develop a better understanding of themselves and the people around them.

The ever popular Child Development class gives students a chance to put their classwork to use. They relate to younger children in a variety of situations through their labs in day care centers and elementary schools.

Scene 19

MATHEMATICS

The Mathematics Department has continued to offer a variety of computer courses, which have become an increasingly popular elective as more students pursue careers in the computer field. All students are challenged in courses ranging from General Math to Trigonometry and Calculus.

The Math Team finished eleventh out of a possible seventeen positions. The Team was led by Sophomore Ed Preble, who has a chance at being named the top Sophomore for the Southeastern Massachusetts Mathematics League.

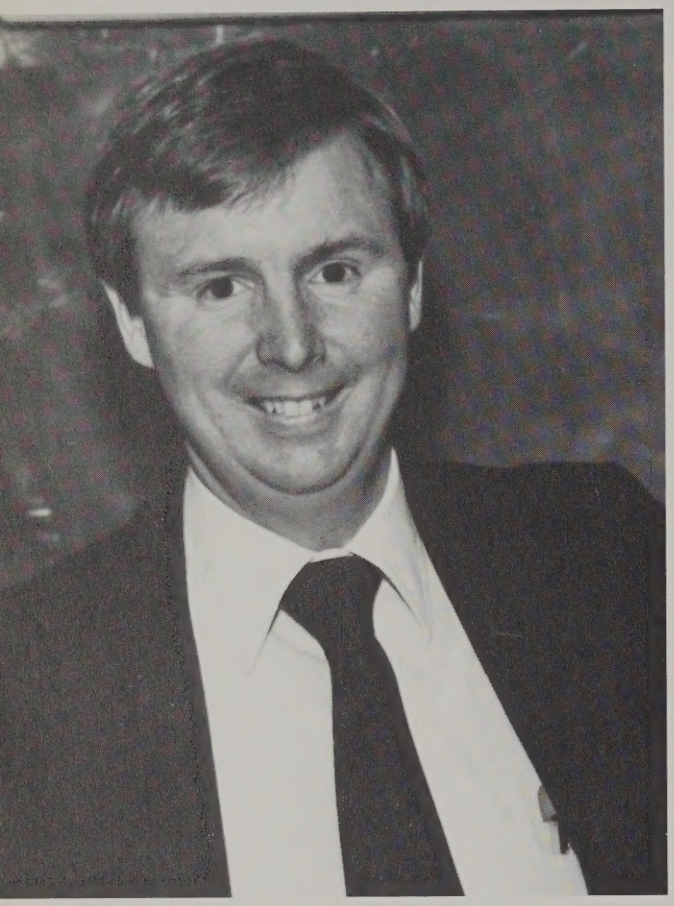
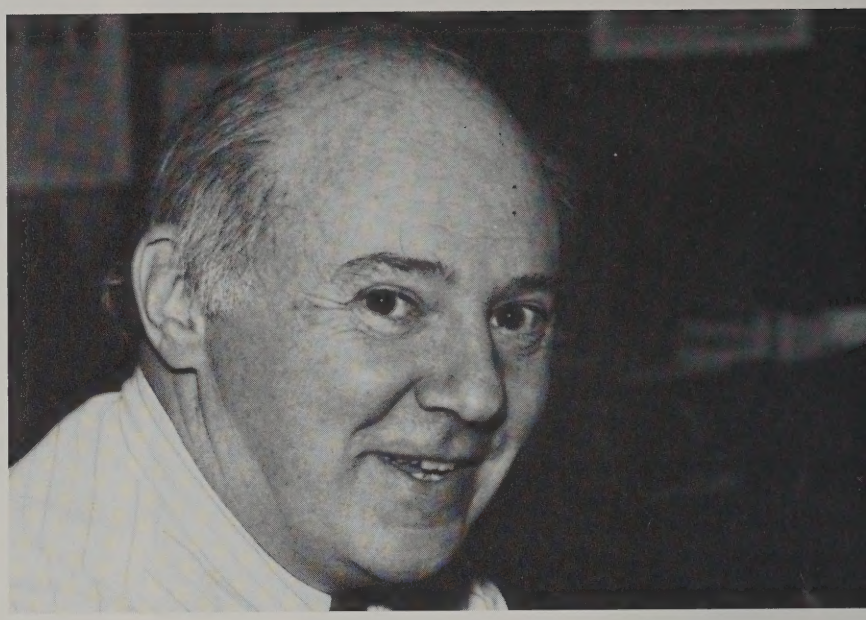
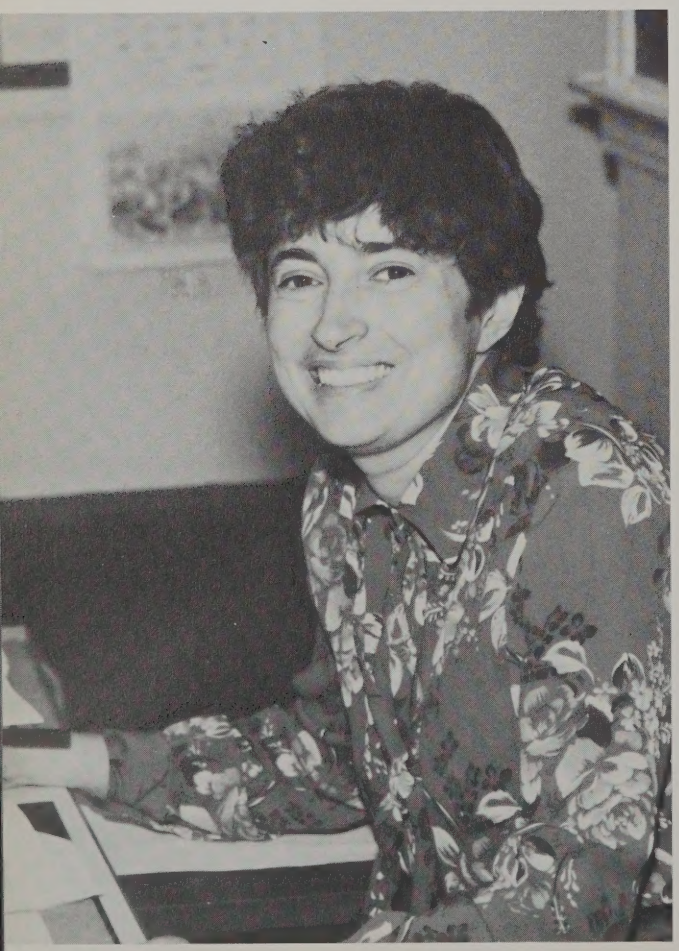
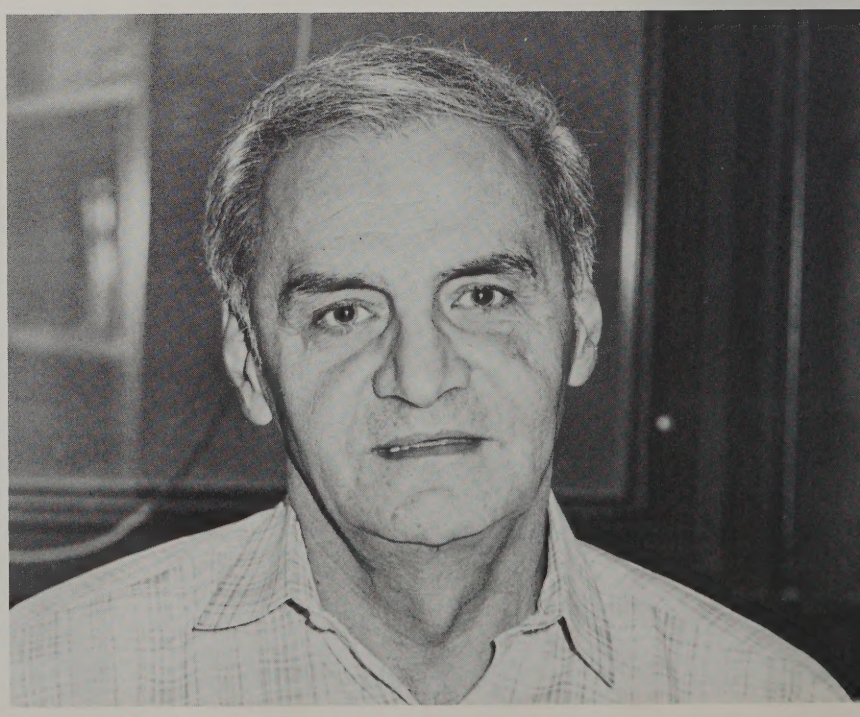
SOCIAL STUDIES









The highlight of the year for some social studies students was a week spent in Washington with "Project Close-Up". Under the guidance of Miss Chris Geoghegan they toured the Capital, met the Massachusetts representatives, and had the chance to meet students from different parts of the country, who also participated in "Close-Up".

Other department activities included a field trip to the Naval War College in Newport, Rhode Island, and the addition of a computer game which simulates what would happen if students created and ran a country.

PHYSICAL EDUCATION

This year, as in the past, students participated in many phases of physical education.

Juniors and seniors were offered a course, which led to certification in First Aid, while freshmen and sophomores measured their fitness level on bicycle ergometer tests.

All the classes were assisted by junior and senior Physical Education leaders. These students must be recommended for this program and participate in at least two interscholastic sports.

This year Mr. Tim Collins became the new Athletic Director as Mr. James Burke stepped down to enjoy life.

Scene 22 SCIENCE

The main change in the Science Department this school year has been the extensive use of new computer software. In most courses the computer has been used as a teaching aid for classroom demonstrations, lab experiments, and for better visual displays.

For example, in biology the computer monitor is being used to show students the stages of cell development. Television camera and video monitors are being used in conjunction with microscopes to display slides. Mr. Brown, the Science Department chairman, says that "the use of computers has made a positive impact on the biology and physiology teachers. The teachers were at first wary of using them, but later were eagerly looking for more software".

In physics classes students arrived this year to see a strange looking apparatus. This device is an air track that is being utilized to demonstrate the properties of frictionless motion.

Another noteworthy development has been the formation of a science club in the winter of 1987. The fifteen members will be involved in activities ranging from building a better mousetrap to an indepth study of the Neponset River and its environmental problems. Field trips to the Museum of Science Observatory and G.T.E. have also been planned.

In summing up this year in the Science Department there has been a noticeable change due to the increased use of computers. This change has resulted in a much better teaching strategy and has made a positive impact on teachers and students alike. Next year promises to bring even greater use of the computer as a tool in the classrooms of the Science Department.

The word around Walpole in the fall of 1986 was that the Varsity football team would not repeat its Baystate League Championship of the previous year. It was to be a rebuilding year. However thirty-five seniors and underclassmen led by captains Keith Hogan, Mark Manning, Rob Mucciaccio, and Matt Rodgers left for Cape Cod in late August with HIGH HOPES for an undefeated season. These HIGH HOPES and numerous hours at practice soon produced reality. Three months later the Rebels once again stood atop the Bay State League. Their undefeated 10-0-0 season, was the first undefeated season since the Superbowl Champs of 1981.

The season of 1986 produced many unforgettable moments. No player will ever forget the 27-26 win over Milton, as All American Matt Rodgers converted a pass to B.S.L. All Star Adam Shinnick with no time remaining. This victory established the Rebels as a dominant force in the Bay State League. No longer could the critics deny that Walpole was for real.

Victory after victory the team remained undefeated going into the Nov. 15 showdown against arch-rival Natick. The Rebels had not beaten Natick in four long years. According to Coach Paul Tuccelli, "the NA-tick game is our season". After a back and forth, hard fought forty-eight minutes of football, the Rebels emerge from Natick still unbeaten. The papers the following day read, Walpole Wins It 28-19. The Rebels had broken the Natick curse, in Natick, on their field. The Rebels would go to 10-0 by beating Framingham North on Thanksgiving Day, however there would be no Superbowl in the class of '87's future. This team would have no chance to prove to the world that they were indeed the best team in the State. The point system for Division 1 football did not give the Rebels enough points to advance to the Superbowl. This team, however, proved to themselves that they were indeed Champions. As defensive standout Ted Abely put it, "we won not because we are a great team, but because we are a close family".

Second place in the Bay State League competition proved what Walpole fans have known for years, our Cheerleaders are the greatest! Captain Jennifer Nicholas was a Bay State League All-Star cheerleader and all the girls worked very hard to achieve perfection.

During August, the cheerleaders attended the U.C.A. Cheerleading Camp. After that, they worked five days a week to polish their routines. Every Saturday through the football season, they cheered the players to a perfect season and the crowds applauded as they performed with precision. The enthusiasm the squad displayed was excellent and they were certainly appreciated by all the teams.

The headlines of the *Walpole Times* read "Field Hockey devasted by graduation". This was in regards to losing all of the talented seniors from last years Bay State League Champs. But, this years Porker squad was determined to keep up the good team name. Under Ciki Cantrell and Kim Griffith, the team ended up with a record of 16-0-2. After a slow start, the Porkers got rolling. They tied their first games with Milton and Needham. The team knew that the next time around this was to be different.

Before the Milton game the Porkers gathered in the W.H.S. parking lot for a picnic in order to get psyched up. This apparently helped since they went on to win 3-0. Another highlight was the 4-2 come from behind win at Wellesley.

Ciki Cantrell was the Bay State League scoring champion, and third place went to Megan Sullivan. Tricia Burke registered 15 shutouts. The Porkers bowed out of tourney play after losing to Oliver Ames in 3 overtime periods and 2 stroke-offs. The team had nothing to be ashamed of and they were still Bay State League Champions for the second year in a row.

The Walpole Rebels Girls' Soccer team showed once again that they could challenge and defeat the better known teams in their division. They finished second in the Bay State League with a record of 14-4-2; the best since the team first started at Walpole six years ago.

The highlight of the season was their first time defeat of Needham by the score of 2-1. Led by captains Holly Ash, Chrissy Macone, and Beth Woodson, the Rebels qualified for the tournament, but were eliminated in the second round.

The team grew in experience this season and will be a force to be reckoned with in the future.

Showing the effects of hard work and a lot of practice, the golf team had one of it's best seasons ever to take the title of League Champions. After starting off with a decisive victory over Braintree, the team went on to win six consecutive wins, losing only to Milton in the final competition of the season.

The golfers were led by two year captain Scott Trethewey, and seniors Kevin Brady and Bob Travers, all of whom were named League All-Stars. With their Championship already won, the team will next move on to the State Tournament in June.

Qualifies for Tournament

Bay State League All Star - Kim Clarkson

The Volleyball team had a successful season as they qualified for the tournament with an 11-7 record.

During the season the girls were the first team to defeat Framingham North, which is a co-ed team.

When they entered the tournament, they once again met their league rival Dedham. Dedham had the home court advantage, so a large group of Walpolites traveled Route 1 to see the game. The team made the trip worthwhile as they captured their first tourney win in a sensational "come from behind" fifth game.

GIRLS' SWIMMING

Scene 8 Several Swimmers qualify

Walpole High Swim Team practiced at Blue Hills Regional School in Canton and also at the Foundry in Walpole.

This was a new and exciting experience for the swimmers at Walpole High. They participated for the first time in the Bay State League and had several swimmers make qualifying times for the State and Sectional swim meets. These were Robyn Yonker in Diving; Debbie Power in Breast Stroke; Dawn Guido in Back Stroke; Michelle McMackin in Breast Stroke, 50 yard Freestyle, and the 200 Individual Medley. Sandy Cahill, Michele McLean, Debbie Power, and Kerry McLean qualified in the 400 yard free style. Dawn Guido, Michelle McMakin, Kathy Melchiorre, and Sue McBride also swam the 200 yard Medley Relay. This was a building year for the swimmers at Walpole High, but they have made their presence known in the Bay State League.

CROSS COUNTRY

Scene 9 Division 3 State Champs

The Cross Country team had a very successful season. Their record was 8-1 as they only lost to the Bay State League Champs Braintree.

Tri-captains Mark Capparella, Gary Giffin and John Nicolas led the runners as they advanced to the Division three State Championship in November. When the State Championship concluded, Walpole was proud owners of the Division three title.

Running on the Varsity besides the Tri-captains were Steve Schneider, Scott Silvi, Mike Iovanni, John Morris, Andy Nicoletti, Jon Friedholm, and Tim Collins.

From the moment this year's Hockey team stepped on the ice, everyone knew they were a team with a mission.

Walpole had not won a Bay State League title in twenty-six years, but this year's team captured that title before the end of the season.

The Varsity under Head Coach Ed Kirrane and J.V. Coach Lee Delaney had an excellent leader in Brian Cotter as the captain. He was surrounded by a group of extremely capable and talented skaters. These skaters held their own against the previous muscle of the League and countered with their own board banging. As the season progressed people discovered that they had an extremely talented team in Walpole. They out hustled, killed the penalties and scored the goals against all the teams they faced during the season.

Senior Bill Innocent was the M.V.P. of the Bay State League and also the highest scoring defenseman. Brian Cotter backed Bill up and was the second highest scoring defenseman in the League. When a team can get that many goals from the defense and also have the explosive forwards that Walpole had, there weren't too many questions as to the outcome of the games. The highlight of the season had to be the teams trip to the Boston Garden in the Semi-Finals of the hockey tournament. Even though they lost to Boston College High, they made Walpole proud to have watched such an excellent team.

After coming off a perfect 18-0 season there was a question mark next to this year's team. Could they do it again? By the end of the season that question was answered.

Under the direction of veteran Coach Sue Brainard and Tri-Captains Holly Ash, Ciki Cantrell, and Tara Wiggin the Rebels posted another championship season with a perfect record of 18-0. However, this was not as easy as it looked.

The lady hoopsters had some close outings, particularly against Wellesley, Milton and always tough Norwood. Their closest game was the first Wellesley game which they won by two points. Anne Gamache sank some clutch free throws in the closing seconds of that game. Another barnburner was the Milton game which was a "down to the last second" win.

Going into post season play without a loss was not easy. However, the Rebels proved that they could hold their own against the supposedly "tougher leagues". After downing Sandwich and Cardinal Spellman by sizeable scores, they defeated Foxboro in probably the best game of the year.

Emotions were flying high going into the South Sectional Finals vs. North Attleboro. The Rebels bowed to North Attleboro, the eventual State Champs, after giving them a hard fight the whole way.

The girls had nothing to be ashamed of though because they knew that they were still the third team in Walpole to ever go 18-0 in the Bay State League.

Team awards at the banquet were made to: M.V.P. - Meghan Sullivan; Best Defensive Player - Holly Ash; Unsung Hero - Ciki Cantrell; Most Improved - Tara Wiggin; and the Coaches Award to Chrissy Macone.

Varsity: Front row left to right: Eric Foster, Tim Collins, Ted Gardner, J. R. McDonald; Back row: Coach Dick Sizer, Tom McMahon, Steve Chase, Co-captain Scott Melanson, Co-captain John Jordan, Tim Sullivan, Todd Collins, Doug Cantrell.

The highlights of the year were the two overtime wins against Wellesley and Dedham. In the Wellesley game J. J. Jordan had a remarkable performance as he scored 33 points and took down 16 rebounds. The team showed their determination in their last game against Arch Bishop Williams as they needed to win to end the season at 500, and they did.

This year's club, a tight knit group, worked hard and enjoyed playing together. Their team spirit and enthusiasm was enjoyed by all.

The basketball team under Coach Sizer started out the year enthusiastically, hoping to attain two goals. First to play 500 ball and then to make the tournament. The team was led by Senior Co-captain Scott Melanson and John (J.J.) Jordan, along with starting players Tim Collins, J. R. McDonald, and Tom McMahon.

Other members who made significant contributions as the season progressed were Steve Chase, Eric Foster, Tim Sullivan, Ted Gardner, and Doug Cantrell.

The season ended with a team overall record of 10 wins, 10 losses reaching the first goal. Their wins consisted of double victories over Dedham, Framingham South, Wellesley, and Needham. They also had single victories against Natick and Arch Bishop Williams. Unfortunately, tough losses against Framingham North and Natick eliminated Walpole from the tournament.

GYMNASTICS

Scene 13 Injuries hinder the Team

Injuries played a big part in the outcome of the 1987 season.

Last year Linda Sullivan was the ony freshman in the State to qualify for the State Tournament in all four events. Unfortunately, this year she hurt her elbow before the first meet and was out all season. Sophomore Amy Thompson, who would have competed in three events, hurt her back and was out all season.

Despite losing two key players, the team led by Co-captains Kerry Casey and Paula McColgan, worked diligently all season to improve their scores. Their hard work paid off with a league victory over Framingham South and a non-league win over Brockton.

The team will only be losing three Seniors, so the future looks bright, if they stay injury free.

BOYS' WRESTLING

Scene 14 A team of the future

The wrestling team came up against some strong competition during the past season. But many of the wrestlers were new to the sport, so the future looks promising.

The team was led by Tri-Captain Steven Cherella, Brian Christy and Peter MacKay who wrestled at the 121, 140, and 187 weights. During the Bay State League Tournament, held at the end of the season, Brian Christy, Peter MacKay and Chris Klein took second place honors in their respective weight classes. Also, Bill Lennon had a third place finish.

At the Sectional Tournament, three wrestlers finished in the top ten. Peter MacKay made it to the finals and came in second. He lost to a wrestler he had been defeated by all year. Steven Cherella finished in fifth place, while Jeff Cook ended the meet with a sixth place.

The team gained valuable experience as the Seniors led the underclassmen to many close finishes. The younger wrestlers now know what is expected of them, so Coach Greener should see a stronger team next year.

The winter of 1987 brought a new face to the Walpole sports scene. Fourteen boy swimmers worked long and hard for their new sport.

Coached by Cheryl Mealey, and led by Tri-Captains Joe Vitelli, Rich Fruci and Paul Parlon, nine seniors and five underclassmen set some records for Walpole High School.

Paul Parlon for Backstroke and Scott Alexander for Diving were chosen Bay State League All Stars. In the Bay State Conference meet Scott Alexander finished second in Diving and Eric Poitras finished third. Paul Parlon also qualified for the Sectional Championships in the following events: 100 yard Back, 100 yard Fly, 200 Freestyle. Jon VanHoesen was chosen most improved swimmer.

All the swimmers display enthusiasm, dedication and tremendous sportsmanship as they made Walpole High School proud of its' new team.

The start of a new baseball season always brings three goals to Coach Bill Tompkin's mind. First to achieve a .500 or better winning percentage; second to qualify for the State Tournament; and third to win the BSL title. Well, surely this season two out of three wasn't bad. The Rebels compiled an 11-7 BSL record losing tough games to BSL powers Braintree, Norwood, and Natick. With the split of their Newton North, Non-league contests, their final regular season record was 12-8, qualifying them for the tourney. The tourney berth came by beating Framingham North on the season's final game.

This was all the Division II's 16th seeded team needed to advance to the Finals of the South Section. Compiling wins of 18-2, 9-6, 11-3, and 22-5 over 17th seeded Bishop Stang, 1st seeded Case, 8th seeded Scituate, and 4th seeded Archbishop Williams respectively, the Rebels pounded out 60 runs on 72 hits in those 4 games. The Rebels cinderella season ended in dramatic fashion in the South Sectional Finals however, third seeded Holliston, the eventual State Champs, defeated the home-towners 10-9 on an 8th inning, two out, 3 run home-run, by Tri-Valley MVP, Tim Sweeney. This gave Coach Tompkin's ball club a 16-9 overall record and Walpole High baseball's deepest advancement in the State Tournament ever.

Individually, Tony Scavuzzo and Mark Manning had banner years as they both earned BSL All Star, Daily Transcript All Star, and Patriot Ledger All Star recognition. Scavuzzo and Wareham High School newcomber Chuck "Chia" Chiaramonte batted over the .400 plateau with respective .423 and .421 averages, while Manning anchored the young pitching staff with a 6-1 record and a 3.35 ERA. Manning's stats don't say enough for him as he was always seen facing the BSL's "Big 3". Mark also had a 1.000 fielding %.

Seniors Tom McMahon (tri-captain) and Scott Melanson also did super jobs in leading the team. Melanson raised his batting average 258 points while earning 34 putouts and 32 assists at second base. McMahon also played an important role during the season pitching and playing first base. His tournament stats were very impressive, with a .462 average. Other seniors included Pat Carty, Ted Gardner, and Paul Doherty.

Juniors, who did a yeoman's job this year, were Bill O'Connell, Wade Stuber, Jim Vincenzi, Joe Abate, Scott Meehan, Eric Foster, Chris Chiaramonte, and Transcript All Star Tim Collins.

Freshman pitchers were Todd Collins and Leroy Decker. Sophomores Doug Cantrell and Rob Rando were added to the tournament team.

Bay State League All Stars: Ciki Cantrell, Meghan Sullivan, Tracy Smith

With seven letter winners returning from last years squad, the 1987 team hoped to at least tie last years record of 11-7. Well, with a non-league win they increased their record to 12-7 and a berth in the State Tourney. Under the direction of Coach Peter Turco and Captains Tricia Burke and Ciki Cantrell, the Rebels turned in some exciting performances. After losing to Wellesley the first game of the season, and then to Needham in extra innings, the girls came back to beat Milton 5-4.

Another exciting moment of the season came when the Rebels beat Norwood at their home field. The second win over the Mustangs qualified Walpole for the State Tourney.

With a record of 12-6, the Rebels drew top-seeded Wellesley in the first round of the tournament.

Wellesley pitcher, Lisa Moore was the one to fear. Coach Turco prepared us for the game by bringing in a men's fast ball pitcher. The Rebels salvaged three hits that day and ended up losing 10-3, scoring these three runs in the last inning. That only goes to prove that Walpole teams don't give up — they always go down fighting.

GIRLS' TENNIS

Scene 20 Has Successful Season

This year's girls' tennis team had a very successful season and qualified for the State Tournament. Unfortunately, like their counterparts on the Boys' team, they also lost in the first round. Tri-captains for the team were Jennifer Nicholas, Maureen Tarbell, and Beth Woodson. The team was coached by exchange teacher Mr. Mark Smith.

The rainy beginning to the Spring season had the girls frustrated as they tried to get enough practice time. As the matches proceeded the players found that they were once again a force to be reckoned with in the Bay State League.

The 1987 edition of the Boys' Spring Track finished the season at 7-2, the best record ever for them. During the course of the season four new school records were established. Senior Bill Lemmon went 11'9" in the Pole Vault; Senior J. R. Gable sailed 43'3" in the Triple Jump; Senior Gary Giffin set a record in the two mile with 9:25:4; Senior Paul Giandomenico did the 330 Intermediate Hurdles in 41:3; the 4 X 110 Relay Team comprised of Bill Lennon, Senior Dave Murdock, Juniors Adam Shinnick and Jade Pratt set the record with a 45.5. M.V.P. of the year was J. R. Gable who dominated the high and triple jump and the high and intermediate hurdles.

Gary Giffin won the two mile event at the All State Meet. Out of a group of forty track members only 13 are graduating, but next years squad will have some pretty big shoes to fill.

GIRLS' TRACK

Scene 22 Best Record Ever 7-2

The WHS Girls' Track Team completed the 1987 Spring season with one of the most successful seasons in the Schools history. The team finished third behind perenial powers Braintree and Dedham with a record of 7-2.

In the highly competitive Bay State League, this team has earned the respect for which it has strived.

Consisting of underclassmen and three seniors, the team put in a lot of hard work and dedication as they took the League by storm, rolling over all but two teams.

Led by Co-captains Holly Ash whose speciality was the 880 and Chrissy Macone who threw the javelin it was a season of breaking records, both personal and school.

The team was led by M.V.P. Anne Gamache who placed fifth at the New Englands in the 220. Anne had previously placed second in the Division III Eastern Mass. meet and third in the All State meet. Keri Sullivan in the mile and Patti Collins in the two mile also set new school records.

Each member of this year's squad added her own special talents and qualities to better each performance and to proudly represent WHS.

The Student Council attempted a variety of activities this year and they came alive again as Miss Lisa Mara took over as Advisor. The group worked very hard under President Ciki Cantrell, Vice-President Christi Collins, Secretary Cindy Bradley, and Treasurer Meghan Sullivan. She also had excellent help from seniors John Reardon and Michelle Weber.

Some of the projects they undertook were a bake sale (in the pouring rain), Autumn Queen Dance, Semi-Formal Dance, collection for the Globe at Christmas with the "Legs Contest", Christmas Santa, Bloodmobile, the All School Field Day, and a variety of Theme Days.

The leaders attended many leadership conferences and brought the new ideas and innovations to Walpole High School.

The Drama Club performed "My Fair Lady", to rave reviews, on April 9th and 10th.

The cockney accents were perfect! The acting and stage sense showed the number of hours each performer had to contribute to make such a success.

Some of the Seniors giving their final performance at Walpole High School were Theresa Curran, John Stuhlfire, Kristen Amman, Steven Tyner, Eric Lightbody, Mike Marchionda, and Scott Alexander.

Left: The cast dances to the song "Wouldn't it be Loverly?" Below left to right: Eliza's father (Mike Marchionda) questions why his daughter bought flowers; Henry Higgan's cohort (John Stuhlfire) questions Eliza Doolittle (Theresa Curran).

Top L to R: Eliza receives one of her many lessons in pronunciation from Henry Higgins (Paul Gaita); Eliza is introduced to society (Janine Susi) at the Embassy Ball; Middle: The servants congratulate Eliza for having passed with "flying colors"; Mrs. Diane Hudson Director; Bottom: Henry and Eliza have grown accustomed to each other.

PEER LEADERS

Scene 6 Teach about the Hazards of Alcohol and Drugs

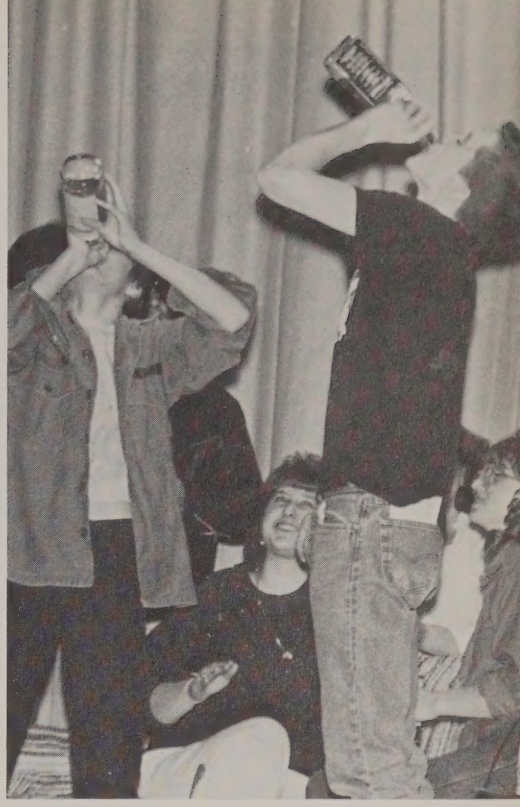
The object of the Peer Leaders is to teach Middle School Students about the problems that arise from the use of drugs and alcohol. Miss Susan Brainard and Miss Lee Walter are the advisors for this group. The original group of students were selected two years ago by the teachers for thier leadership qualities. Since then, the graduating members nominate students who display these same qualities. The students attend workshops and seminars pertaining to the hazards of drugs and alcohol. After completing these workshops, they are then assigned to teach a unit to middle school students. This year the peer leaders sponsored the Great American Smoke-out and the production of "Eddie Was Here". "Eddie Was Here" was performed three times to S.R.O. crowds reaching not only students but parents also.



pg. 110 - Top to bottom L to R: Eddie (Dan D'Attilio) and his father (Mike Marchionda) have an argument; At the court, Eddie meets a hooker (Theresa Curran) who tells him he will beat the rap; Eddie's family mother (Stacy Walsh), puts him in the court's custody; (Jeff Mann) pg 111; Top to bottom L to R: Eddie is challenged to a drinking contest at a party after another fight at home; Eddie drinks the alcohol; His father comes to find him — only to be too late; Eddie's brother dedicated his life to bringing his story to other teenagers after Eddie's death.

MATH TEAM

Scene 7

Competes Against 16 Towns

Under the direction of faculty advisor Mrs. Eleanor Lind and assistants Ms. Lisa Mara and Mrs. Mary Forester, the Math Team competed in four meets with sixteen other towns.

Led by seniors Mark Capparella, Sheila Malloy and Michelle Weber the team did very well in the Southeast Massachusetts League. Sophomore Ed Preble was the highest scorer in the second meet with seventeen out of eighteen points.

Shown above: Front Row: Mark Capparella, Michelle Weber, Mark Manning, Tricia Burke, Bonnie Belanger; Second row: Mrs. Eleanor Lind, Ms. Lisa Mara, Paula McColgan, Sheila Malloy, Jennifer Crowell, Chris Langmead, Shawn Lestan, Karen Medailleu, Scott Sanborn, Jen Sabatini, Erika Cervasio; Third row: Ed Preble, Kristen MacDonald, Mike Harney, Ed Dionne, Jim Raker, Lee Demers, Carrie Merrick, Dave Murdock.

ACADEMIC DECATHLON

Scene 8

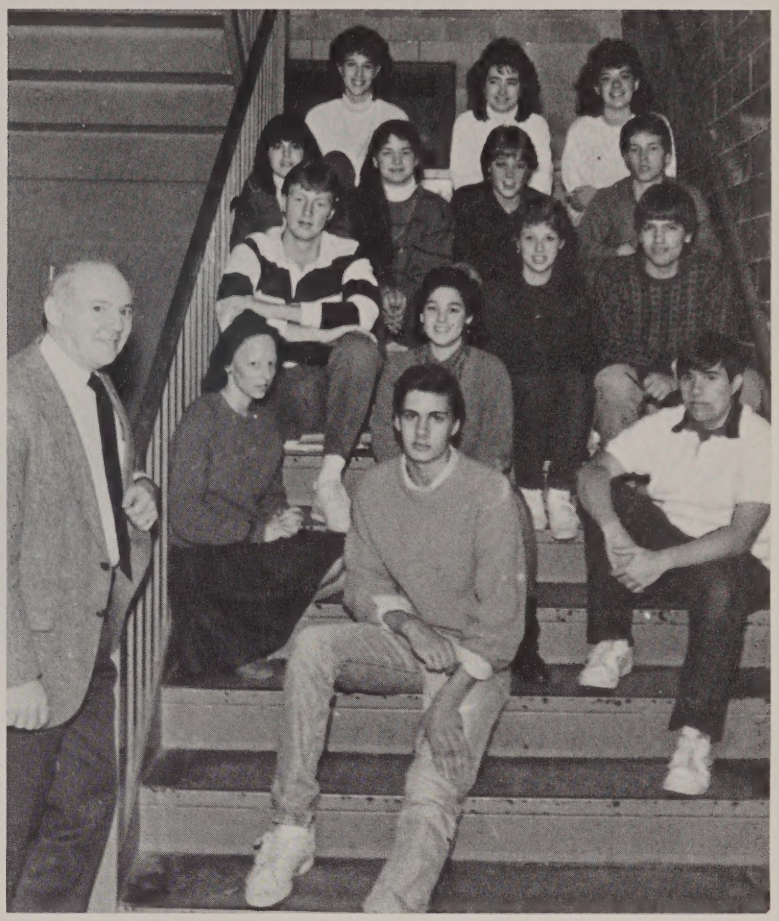
The Academic Decathlon team performed very well this year, as they qualified for Playoff competition. The Walpole High School team placed tenth out of thirty-five schools in the preliminaries at Cambridge Rindge and Latin.

SPOTLIGHT

Scene 9 Program at Bentley



The Spotlight Program is under the direction of faculty advisor Mr. Robert Coviello. The program is sponsored by the TEC schools and meets on a weekly basis in the Fall and Spring.

Thirty-five students were involved this year, eighteen in the Fall and seventeen in the Spring.

The program itself, is geared to the needs and interests of High School students. Some of the topics covered this past year were interpersonal communications and left/right brain dominance.

Fall Spotlight members are shown to the right: Mr. Robert Coviello, Pam Baker, Tom Belcher, Jim Conway, John Jordan, Erica Cervasio, Michele Hoyle, Gerry McElhinney, Kristen Capizzo, Dawn Byers, Michelle McMackin, Chris Hoyle, Gail Verderber, Renee Montague, Christine D'Angelo.

EXCHANGE STUDENTS

Scene 10 W.H.S. hosts two

Shown at left: Principal Mr. Lester Burch, Patricia Quiros, Ana Paula Santos, Mr. George Watson.

Walpole High School was extremely fortunate to have two exchange students this year. Senior Patricia Quiros came from Santander, Spain and Freshman Ana Paula Santos arrived from Brazil.

Patricia arrived in October and graduated in June. The Abelson's of Washington Street were her hosts for the year. She managed to see Flordia twice in her stay, but found life and food very different. Yet, that is what an exchange program is all about!

Ana is staying with her uncle while she attends four years at Walpole High School. She plans to go to college in America and major in Physical Education. An active participant in sports, she was a member of the Volleyball, Winter and Spring Track teams.

SPANISH CLUB

Scene 11 Goes to Spain in June

Everything this years Spanish Club did was aimed at their ten to twelve day tour of Spain in June.

Members of the club held a car wash at Blackburn Hall to raise funds. But, they also enjoyed a night in Quincy Market, where they ate at GuadaLaharry's.

Members of the Club pictured are: Christi Collins, Mary Beth Shields, Debbie Calusdian, Michelle Perchard, Laura Wasson, Amy Valja, Mary Jo Carchedi, Sue Keefe, Rose Flynch, Maureen Lucas, Steve Puopolo, Jon Friedholm, Pam Irving, Charise Williams, Dawn Webster, Mr. George Watson, Pam Baker, Christy Esselman, Mr. James Capone, Bridget Wood, Erin McGee, Nicole Reynard, Kelly McColgan, Karen Collins, Lisa Golden, Lisa Trundley, Erika Cervasio, Dawn Byers, Stacy Loring, Sue Davy, Lynne Fasanello, Kerri Sullivan, Tricia Wiggin, Gail Verderber, Lynn Shamon, Mike Harney, Gerry McElhinney.

FRENCH CLUB

Scene 12 Spends Month of July '86 in France

During the summer of 1986, 30 W.H.S. Sophomores and Juniors lived for the month of July with French families where they proved their abilities to survive in the language and culture of another country. Because all 30 students were in 30 very different homes where they all did very different things, they experienced very different lives. Many traveled. Others visited Paris extensively. All spoke French. Most took many pictures. All added a dimension to their lives that will never be taken away.

As phase II of the exchange, these same students will receive in July '87 their French counterparts in Walpole. Most students and families are busy planning already for this moment. Ms. Floy Miller and Ms. Charlotte Cole are the advisors for this club.

Pictured members of the Club are: Front row: Cindy Bradley, Sheila Malloy, Sue MacBride, Pam Jennings, Jen Nicolas, Chrissy Macone, Kerri Casey, Matthijs Schoots, Scott Sanborn, Michelle MacWilliams, John Stuhlfire, Kristen Amman; Second row: Sharon Baughman, Brendan Carroll, Laura Minkwitz, Heidi Finnegan, Tracy Ryan, Michelle McMackin, Mary Ellen Tinson, Tom Belcher, Greg Hodgkins, Kristen Foley, Cindy Nelson, Ellen Rooney, Kim Kunelius, Amy Spicer, Kristen Trudeau, Jennifer Coffin.

LATIN CLUB

Scene 13

Enjoys a wide variety of classical activities

The Latin Club meets once a month for an educational but entertaining activity pertaining to the Ancient Romans. Some activities include scavenger hunts, slide presentations, interclass volleyball games, and Saturnalia party. The Latin Club attended Classics Day at Holy Cross in March, and ended the year with the annual Roman Banquet in May, the highlight of which is the chariot race on the High School track. The Roman Orgy took place on May 12th this year, and included many non-classic events such as: pie eating (from the prone position), the orange relay, the cartwheel race, and the grape toss for greatest distance (the grape must be caught in the mouth).

The highlight of the night was the annual home-built chariot race. Two well shod Romans race their chariot while one "not sure Roman" attempts to be a passenger.

The night was a successful one, and faculty advisor Mrs. Penny Calf did an excellent job in giving the Junior Classical League students a different way to remember Ancient Rome.

Members pictured above: Front row: Ethan Sandahl, Shawn DeRosa, Pam Baker, Heather Sanborn, Liz Aurilio, Helene Goetz, Kelly McColgan, Karen Collins, Christi Collins, Kay Ryan, Meghan Collins, Heidi Finnegan, Lynn MacKenzie, Meghan Sullivan, Steve Melanson, Domonic Nuovo, Michael Everhard, Derek Hart, Andy Nicoletti, Steve Busheme, Scott Wade, Terry Manson. Next row: Mike Rogol, Kristen MacDonald, Missy Walsh, Sheila Malloy, Tara Wiggin, Paul Gaita, Dave Barsky, Tim Collins, Erin McGee, Nicole Reynard, Christine Browne, Stacy Loring, Kelly Ryan, Kathy Jackson, Rachel Lueth, Tracy Barnes, Brendon Carroll, Colleen Callahan, Lynn Fasanello, Sharon Baughman, Lisa Gaetani, Dawn Webster, Brenda Irving, Jeanne Fasanello, Mrs. Penny Calf. Pictured below L to R: Scott Melanson, Christi Collins and Lynn MacKenzie initiate a new member; Tim Collins attempts to catch a grape in his mouth; Mike Rogol is Kelly McColgan's slave; Shawn DeRosa, Pam Baker, and Kendra Czyryca find something very funny with Steve Melanson's tunic; Chariot members Steve Melanson, Andy Nicoletti, and Doug Cantrell celebrate as Mrs. Calf wonders if everyone is having a good time.

REBELLION

Scene 14

Spot Color Brightenens the Seven Issues

This was the first year that the paper reached for 7 issues instead of the 4 or 5. It was also the first year that the paper went to spot color to enhance its appearance. The editor, David Barsky, was innovative and talented and did an excellent job with professional layout work.

Members of Mr. Richard Schnorbus' journalism classes were given assignments that eventually appeared in the paper.

Dr. Arthur Hull, the BOP (Board of Publications) supervisor, was kept busy approving the steady flow of articles that came across his desk.

Though the paper had won many awards in the past few years, the staff was too busy getting out the 7 issues to take part in outside competition.

Pictured above: Mr. Richard Schnorbus, Shawn Ryan, Tony Gatturna, Bill Lennon, Doug MacDonald, Tom Stewart, Diane LaCivita, Beth Woodsen, Jodi Mann, Kristen Amman, Jen Morse, Loren Lougee, Paul Gaita, Dean Calusdian, Dave Barsky, Chris Demers, John Hampe. Not pictured: Greg Hodgkins, Erin McGee, Les Winner.

LABYRINTH

Scene 15

School Magazine reaches stands by Christmas

This was the first year that the winter edition of the Labyrinth was on the stands before Christmas vacation. The sixty pages of the school magazine included student work from both English and Art classes. The magazine itself was printed by the Town of Walpole's Publication Department.

The covers were printed at the Walpole High print shop under the direction of Allied Arts Director Mr. James Neubauer. The students assigned to the printing project were Randy Hamilton and Chuck Golden. The spring issue went on sale in May. Each of the two hundred issues cost $1.00.

The magazine remains an excellent way to show how talented our students are in the Art & English Departments.

Pictured to left: Mr. Richard Schnorbus, Chris Demers, Dean Calusdian, Les Winner; Not pictured: Melissa DeLellis, Lee Anne Demers, Erin McGee; Above: Chris Demers and Dean Calusdian sell the Labyrinth to an enthusiastic student.

THE YEARBOOK Scene 16 Faces a Challenging Year

Editor: Sue MacBride

Above right: Sue had to hunt in many places for good copy and pictures.
Above: Sue checks out Field Day for the action pictures.

In September, the Yearbook got off to a very unorganized start, since no one would take the task as advisor. Finally, at the end of October a staff meeting was called and the action started. The staff was already two months behind schedule and had to work hard to make up for lost time.

Mr. Roy Hult of Walsworth Publishing Company spent many long hours with the staff explaining all the details of how to put together a yearbook.

They learned they had very little experience and ideas were many times too expensive. It is not an easy job to produce a quality yearbook. As the first deadlines came nearer, the burden fell on a few. Finally, the stress of copy, type, lay-out and final proofreading left one faithful person.

Except, for some last minute typing of the Senior Directory by Chrissy Macone and Ciki Cantrell, most of the work fell on the inexperienced shoulders of Editor Sue MacBride.

As other committments dwindled the staff, Sue continued to take on more and more responsibilities. She ended up doing most of the Yearbook, from writing copy, collecting ads and typing pages.

The 1987 *Rebels with a Cause* Yearbook is the final result of all the hard work and dedication put in by Editor Sue MacBride.

The Yearbook would like to thank Mr. Richard Schnorbus and the *Walpole Times,* especially Sports Editor Donna Cogliano for their cooperation in providing pictures. Also, Westwood Studios for their willingness to follow teams to the many tournaments and supply quality pictures for 1987. The Yearbook would have been lost without their cooperation.

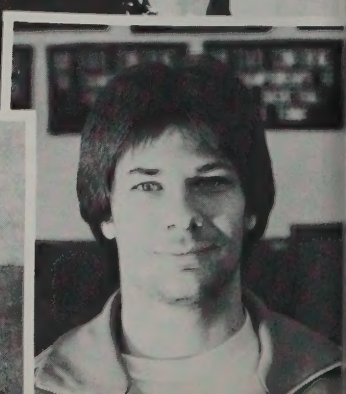
NATIONAL HONOR SOCIETY

Scene 17 Truly talented and diverse group

In May of 1986, thirty-four Juniors were inducted into the Walpole High School Chapter of the National Honor Society. As this group became Seniors they displayed their skills not only in the classroom, but in other areas also. Every athletic team at the High School is represented with five captains among them. Student Council and class officers are a part of this Society. The group, also has a number of outstanding thespians and the musical talent abounds.

This wide diversity shows that the class of 1987 did not stay within their academic boundaries, but spread their influence through the entire spectrum of school activities.

Pictured above: Front to Back: Mr. Thomas Joy, Mark Capparella, Heather Johnson, Jennifer Butler, Kristen Amman, Dave Murdock, Jennifer Sabatini, Michael Harney, Karen Medailleu, Scott Sanborn, Ted Marshke, Chrissy Macone, Cindy Bradley, Mark Manning, Sue MacBride, Carrie Merrick, Sheila Malloy, John Stuhlfire, Laura Wasson, Mary Kelley, Theresa Curran, Eric Skogseth, Scott Silvi, Pam Baker, Paula McColgan, Michelle Weber, Gerry McElhinney, Bonnie Burns, Donna Button, Samantha Drivas, Tricia Burke, Michael Mahoney; Not pictured: Diane Holland, Lori Paradine.



RADIO

Scene 18 Starts Broadcasting in January

WSRB

It would be fair to say that the 1986-87 school year was a "rebuilding" year for the radio station. The station did not begin broadcasting on a regular basis until late January 1987. Once we began broadcasting the number of students participants increased.

This year we achieved the development of well-structured radio shows such as Mtthijs Schoots' "Exposure", Steve Normandin's "Powershift", and Les Winner's "Tribute to War Veterans" show.

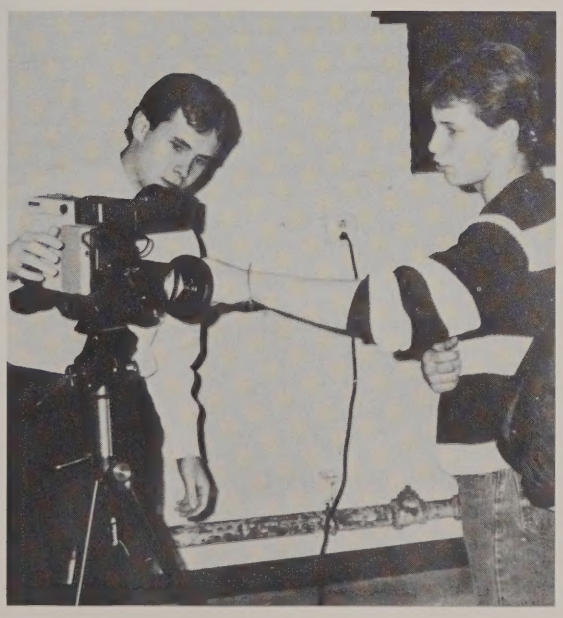
The highlight of the year was the students' ability to push through the adversity and develop responsible, creative shows while treating the station's procedures and equipment with the proper care.

It is hoped that the 1987-88 school year will be devoted to combining the students' proven interest with the development of programming, advertising, and fund raising to make WSRB Radio the responsible, informative, and entertaining radio station it once was.

Pictured to left are Greg Tracy, Programming Director and Christy Esselman, Advertising.

T.V. AND CABLE STUDIO

Scene 19 Studio adds to classes and community



The T.V/Cable Studio added to English classes this year, as students videotaped their presentations. Many of the Middle and Elementary School performances were also taped by High School students, as they learned to operate the equipment.

The Town's recreational facilities were videotaped for the up and coming evaluation.

FIELD DAY

Scene 8

Great Success for Student Council

The Spring of 1987 brought the first annual Field Day sponsored by the Student Council. Many teachers had objections to a day without classes and the threat of rain almost scuttled the ambitions of the Student Council.

All classes participated in a variety of contests against each other, but in the end no one knew who won. Hessian put on a live concert, which was the big event of the afternoon.

Everyone went home with a sun burn and the teachers found out it wasn't that bad - the day was an unqualified success.

GRADUATION

Scene 10 May the Spirit in Our Hearts Never Die

The day dawned beautiful and breezy. The breeze seemed to catch the spirit of the class and carry it above Turco Field.

The class marched in to the strains of *Pomp and Circumstance* with balloons and flowers waving. As the 267 graduates gathered for the last time their thoughts were of their last four years together and their accomplishments during that time. The spirit of 1987 was displayed for all to see.

The Hall of Fame Inductee was Dr. Charles B. Arthur of the class 1929. Dr. Arthur is an educator, coach and a published writer. An honorary diploma was awarded to Joseph Gallo who had to leave school in eighth grade to support his family. Over the years, Mr. Gallo has distinguished himself as a florist and inventor.

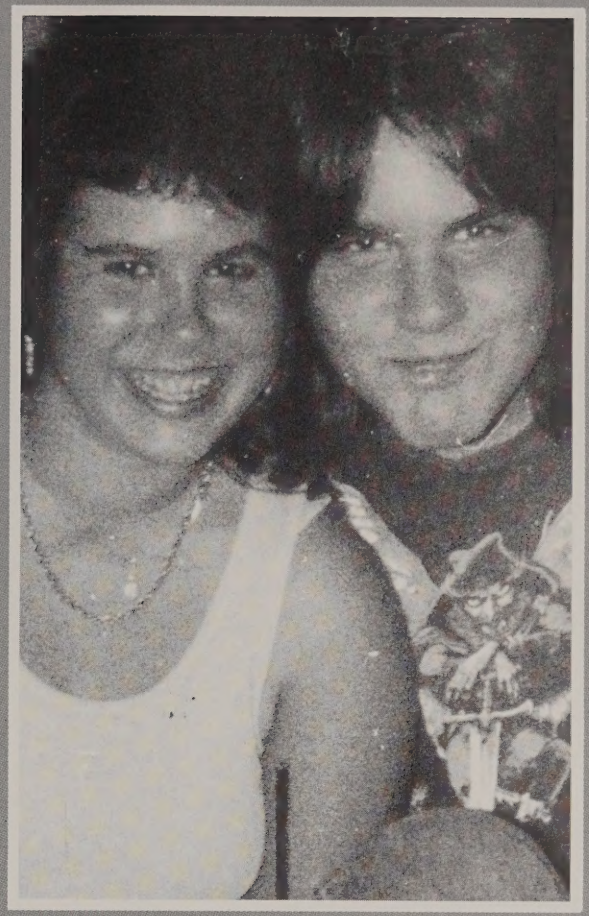
David Anderson

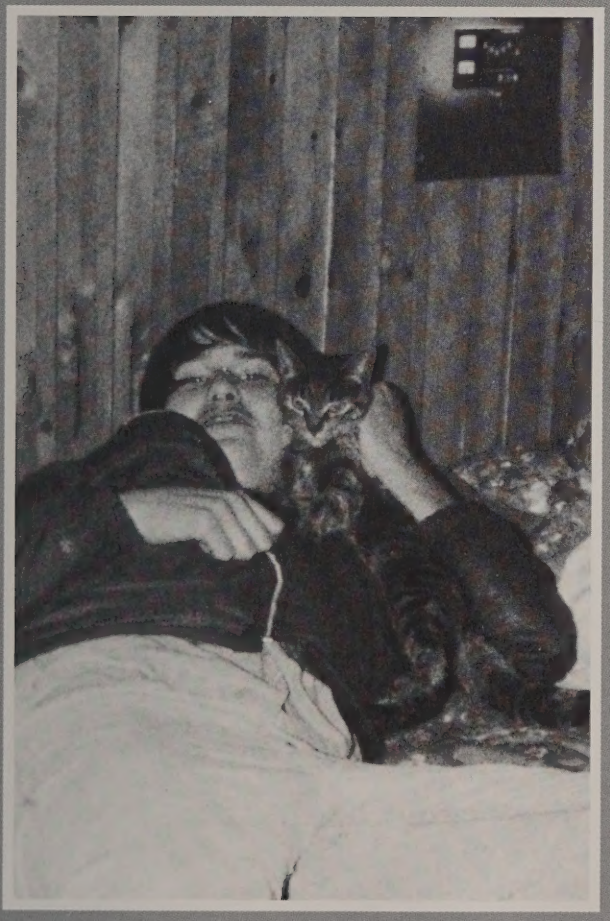
September 12, 1968 - August 24, 1985



To David

It took away a dream and buried it deep. Along with a friend whom in my heart I'll always keep. So young, so strong, so wild, so free. Now forever gone, look in the mirror and see. New dreams and old all suffering never told. Buried deep in a grave, covered by dirt, sprinkled by rain. Many things never said many things never done, keep your eyes on tomorrow as you watch the setting sun. Tears are cried so long, dripping from despair. Images are broken filling up its place with fear. Thoughts, unthought of and ideas never said, linger on forever laid down deep in a bed.

Love, Michelle



David did not have many friends in his early age, but, as he started to get older he figured out you can't live without friends. So what he did was he just let out a little "HI, HOW ARE YOU TODAY?" After a while people figured out he wasn't a bad kid after all. David liked to do many things. He liked to ride his bicycle and repair and install car stereos. When he put a car stereo in and it was done incorrectly, he would start all over again until it was done right. He was also an animal lover too. He was very close to his cat, Nash. He had her since she was a kitten and whenever he came home Nash would come running. David was also very close to his sister Kim. Whenever he needed someone to talk to, Kim would be all ears and listen to what he had to say. There's not much more to say except, Dave we miss you!

Love Your Friends,
Scott, Jim, John,
Kenny, Michelle, and Richard

The world is truly the largest of stages and as the class of 1987 makes their entrance, they will have to once again, prove themselves by their performance.

They cannot stand behind their past ovations and expect the same to happen. Each one must learn his lines, rehearse each move, and strive to achieve a flawless performance. The class has been sheltered in their own little community playhouse, but now they must compete against the big and more experienced "stars" to achieve their place on stage.

Each "Rebel with a cause" has the ability to become a success. Only time will tell how each one faces the challenges.

Now as the curtain closes on their first big play, we say to each and everyone "Break a leg" and Best Wishes in your lives.

COLLEGE CREDIT.

Credit for course work isn't the only hard part about college. Paying the bills is sometimes difficult and that's when you need our kind of credit.

We provide a full program of student loans.

We offer both HELP Loans for eligible scholars and PLUS Loans and VALUE Loans for parents. The rates and repayment schedules conform to nationwide practice.

This means, in order to stand apart, we have to do more. And we do.

For instance, you can expect faster turnaround time on approvals. You can also count on personalized service including sound answers to your questions and more. This is especially helpful if you're just starting a college career.

So start today and learn more. Discover why so many credit us with the best student lending program around.

GET $25,200 FOR COLLEGE IN TODAY'S ARMY.

The rewards of being a soldier just got richer. With The New GI Bill Plus The New Army College Fund.

You contribute $100 a month from your first full 12 months' paychecks (for a total of $1,200). The government and the Army will contribute the rest (up to $9,600 from the government and up to $14,400 from the Army, if you qualify). That's a great deal.

And as a soldier, you'll also learn a great deal. The Army offers over 80 skills for training. Many of the skills are high-tech, and many are skills you might want to pursue in college.

Call your local Army Recruiter for all the details.
